

Officer Craig Birkholz Scholarship In Police Science or Criminal Justice

The Birky Challenge Scholarship Team, Inc. awards an annual scholarship to undergraduates from the State of Wisconsin who are enrolled at Wisconsin-based institutions of higher education and are pursuing either **two-year or four-year degrees in Police Science or Criminal Justice** (including majors and minors). Furthermore, any military veterans pursuing said degrees are also eligible.

Wearing Badge #67, Craig Birkholz was a City of Fond du Lac Police Officer who was killed in the line of duty on March 20, 2011. He was a military veteran, a good husband, and a dedicated police officer who set an example of dedication to his job, commitment to good physical conditioning, and using care and compassion to carry out his role as a police officer.

The Birky Challenge Scholarship Team created a scholarship fund at the Fond du Lac Area Foundation that was supported by the Birky 67 Challenge, an annual charity bicycle ride of 67 miles from 2011-2025, in an effort to provide the financial help needed to enter into a career as a police officer. It is hoped that this scholarship may help educate and prepare future police officers who can be as effective and as impactful in their communities as Craig was.
